Launch of Kaua'i Keiki Recycles website set for America Recycles Day

LĪHU'E – To celebrate America Recycles Day, the Solid Waste Division will officially launch its Kaua'i Keiki Recycles website, <http://www.kauaikeikirecycles.com/>, on Nov. 15.

The website was designed to provide children with a comprehensive resource for recycling and waste diversion on Kaua'i.

"I encourage our keiki to check out the new website. It offers a lot of information about recycling, and there are games and fun activities, too," said Mayor Bernard Carvalho, Jr. "I also think that teachers could use the website as a springboard for discussions about keeping Kaua'i beautiful, preserving our resources and minimizing waste."

For more information, please visit the County of Kaua'i's website at www.kauai.gov/recycling or call 241-4841.
